Hockey canada coaching guidelines

Coaches are essential to hockey at all levels. A drum, enthusiastic, well-trained coach can have a positive impact on the experience of players, parents and other coaches. Hockey Canada is working with its members and local hockey associations to ensure effective education, certification and registration for thousands of hockey coaches annually. The national coach certification program trains, endorses and supports Canadian dedicated hockey coaches so they have all the tools they need to help players develop. Hockey Canada's National Coach Certification Program (NCCP) is a competency-based program. The program allows coaches to build their coaching tools and knowledge about the game so that they can work effectively with their players. NCCP for hockey | Tracking Qualifications Additional Information (Coach 2, Development 1, High Performance 1) 2020-21 Coaching Requirements - Deadline for Completion is November 15, 2020. Coaches in Alberta have access to a wide range of clinics and training opportunities to help develop their skills as teachers and instructors of players of all ages across the province. NEW IN 2020-21: All coaches must do the following: Planning a safe return to the hockey course. It's a free 20-minute online program that examines key information coaches and associations to reduce the risk of covid-19 in a hockey environment. This course can be found on the Canada hockey website eHockey. The necessary coaching courses are hosted throughout the province, starting in September and ending on 15 November. Upcoming Coaching Clinics > View Your Coach Qualifications > 2020-21 Coaching Requirements - Must Be Completed by November 15, 2020. Several clinics will be available for registration once the facilities are secured. If there is none in your region, continue checking or contact your local Regional Center. This course provides a foundation for trainers within competitive streams, and teaches the progression of drilling & regression skills analysis, seasonal planning, integration of individual skills & tactics, team building & tactics, and goal. STEP 1: In-Person Development 1 (\$262 + GST - Includes written award + rating fees) 2 daily clinic with 13 hours of instruction, and 3 hours of ice instruction, where coaches learn to motivate and guide athletes as they move into a competitive environment, build age-appropriate practice plans, while providing players with a solid understanding of the skills and strategies needed for the competition. 100% participation will result in qualified status, must successfully complete the following steps to obtain Certified STEP 2: Written allotments are sent by email by clinic and must be completed and returned within 6 weeks of Rate. Rate: completed assignments. Assignment topics include Coach Development Plan, EAP, Video Skills Analysis, Plan & execute 3 practices. STEP 3: Making ethical decisions (MED) Online evaluation (FREE) Takes about 60 minutes, via the Coaching Association of Canada Locker. Coaches are given the opportunity to use the skills they learn in real life situations at the workshop. When the coaches are done, they show the ability to make ethical situations with confidence. STEP 4: Field evaluation When steps 1-3 are completed in full, coaches will receive a letter of eligibility to complete the field evaluation, which consists of an evaluator assigned to evaluate one practice. Before FE trainers, their assessor must submit practice plans and EAP. Completing this final step will move coaches from Qualified to Certified Certification Maintenance Once Certified, trainers have 5 years to collect 20 PD points (tracking found on locker) maintain their Certified status. PD points are available under the Tab Professional Development AVAILABLE DEVELOPMENT 1 CLINICS > Due to COVID-19, Hockey Alberta will not deliver the 2020 High Performance 1 Seminar. With associations and clubs, we will work directly to ensure that their coaches have the appropriate credentials based on the changed policy. This seminar hosts this seminar once a week in July at the Offices of Alberta Hockey in the Red Deer. It includes professional speakers in the performance of sessions, including special teams, performance planning, offensive/defensive team play, goalie, game management and bench, ethics in coaching, teambuilding and much more. In addition to classroom sessions, coaches will provide practical learning and development by running on the bench with our AJHL Player development camp, which is carried out the same week, on the bench. The coaches selected to attend this seminar are led by some of the best leaders and mentors in Canada. HP1 is a week away, and coaches will have to get committed and ready for long days. The seminar shall include individual and group tasks and tasks that will be used to support delegates in becoming fully certified as high performance coach 1. Coaches are considered qualified after a 100 percent participation in the course in order to meet the requirements that certified coaches must successfully complete the writing task, evaluate on the field and make ethical decisions online evaluation up to certain deadlines. The requirement requirement, which is set nationally, is that all coaches of U15, U18 and Junior A teams competing in inter-provincial or national championships or the highest level, as specified in the branch, must be high capacity 1 Certified. It is recommended that all assistant coaches be the least qualified to develop 1. Please see Coach Requirements for those who would need this course for coaching inside Alberta Eligibility Coaches the following criteria should be met for the application: Currently coach elite athletes in the competition currently. Currently whether the coach will be in one of the 5 required leagues Certified on criteria for assessing developmental 1 field level: Male flow: HC at U15 AA level or higher, or ac at U15 AAA level or above under the correct instructions, or HC at Team Alberta Women's Current : HC at U18 AAA or higher, or be AC at College, University or Senior AAA level, or HC at team Alberta competition. Competition.
